

Price Inquiries: Quick Reference Guide

J&J Customer Connect users are able to obtain product pricing information and rebate codes via Price Inquiries.

Check pricing through a Price Inquiry

- 1 Select the Price Inquiry button in the Manage section of the Home Page.
- 2 Enter the required product numbers. Multiple products can be separated with commas.
- 3 Click the Add to Price Inquiry Button.
- 4 The products will be displayed on-screen.
- 5 Select the Get Price button.
- 6 Contract prices for the selected account are displayed.
- 7 Rebate codes are displayed, where applicable.

 Tip: You can add products to your Price Inquiry Cart from other pages of the portal, including the Catalogue page, uploading from a file, using the Quick Add to Cart feature, and more.
